Our 3 Step Approach

01

PARTNER

We work in partnership with schools and colleges to design professional and inspiring Careers Education, Information, Advice and Guidance packages, tailored to your institution and the needs of your students.

02

UNDERSTAND

We take the time to understand the goals, aspirations and challenges of individual students and, by providing bespoke advice, guidance and support we break down the barriers and excite them about their future career opportunities.

03

ENHANCE

We link with employers who are as passionate about supporting young people as we are. By providing synergy and meaning to programmes we enhance their value and effectiveness, and give students the knowledge and competitive edge they need.

STATUORY REQUIREMENTS & GATSBY

Helping you meet your statutory requirements and Gatsby Benchmarks

A stable careers programme

Awarded the national *Quality in Careers Standard* and with over 20 years' of experience, Career Connect provide a comprehensive CEIAG offer to schools and colleges.

Learning from career & labour market information

A combination of the very latest labour market information and most up to date tools enable us to provide quality, up to the minute information about study options and career opportunities.

Addressing the needs of each student

No school, college or student is the same, which is why our motivational programmes and expert one-to-one careers advice are carefully, individually tailored.

Linking curriculum learning to careers

By creating real links between subject and world of work, we enable students to see their learning in action and how it relates to future opportunities.

Encounters with employers

Through bespoke programmes, enterprise days, business networking events, careers fairs and more, we offer well-suited encounters with employers at every key stage.

Experiences of workplaces

Our network of over 7,000 employers enables us to provide aspirational, meaningful work experience for students, including those with SEND.

Encounters with further & higher education

Through our extensive and impartial access to FE and HE providers, we improve students' knowledge of the opportunities available within educational sectors.

Personal guidance

Our teams of highly experienced Level 6 qualified Careers Advisers, and Level 5 Career Coaches are experts in their field and in providing personal guidance.

A transformational approach to CEIAG that **informs, inspires, delivers.**

The career connect offer includes:

- Get connected, the digital CEIAG tool
- CEIAG consultancy
- CPD for teaching staff
- Quality award
- Psychometric assessments
- Resilience-building programmes
- Specialist support for vulnerable students
- One-to-one careers advice
- Motivational group sessions
- Dynamic Imi analysis
- Work experience
- Support for parents & guardians

We were the first careers organisation in the country to achieve Licenced Awarding Body status for the Quality in Careers Standard, so we know what it takes to provide the very best support to young people.

Quality in Careers requires schools and colleges to demonstrate and evidence to an external assessor that their programme of careers education, enterprise and employability (including work related learning) meets the needs of all students and national standards of best practice.

“

“We have employed the services of Career Connect to provide one to one support for our pupils and to support them at key transition points.

The advisors we have used have provided excellent support and advice for our students using local and up to date knowledge.

Students, parents and carers have always given positive feedback on the advice they have been given, and different progression routes available have been fully explained.”
